Your shop has its own link

Get a quote in four steps

1. Choose the type: **Retail**, **Wholesale**, Wedding, Funeral or Special event.
2. Enter the destination address.
3. Read the price on the quote card.
4. Select **Copy** or **Print quote**.

Community pricing: see the price by area

The map colours each Calgary community by its delivery zone.

Select any community to see its zone and your shop's price.

Use it to answer "how much to deliver to Aspen Woods?" without typing a full address.

Zone names are also written on the map, so colour is never the only clue.

Calgary is split into five zones

C1	Closest to the shop's core	**Your C1 price**
C2	Next ring out	**Your C2 price**
C3	Mid-distance	**Your C3 price**
C4	Outer communities	**Your C4 price**
C5	Farthest city edge	**Your C5 price**

Prices are set per shop. Border communities are placed in one zone, so the map is always the answer.

Outside Calgary: rural zones and named towns

OUT1 to OUT4 cover rural and outer areas, nearest to farthest.

Named towns such as Airdrie, Cochrane, Bragg Creek and Harmony have their own set rate.

Beyond 100 km we quote by phone.
